

Happy Easter Everyone!

We come to the end of a very different Spring Term.

This term has shown once again the importance of being together and the value we place on community.

As the country moves through the steps out of the restrictions, we will continue with the arrangements we have in place for the next half term at least.

Even though it is not back to normal yet, we have been very impressed with how the St Wilfrid's children have coped with the situation. We want to thank you all for your continued support and to our wonderful staff and governors for their dedication to the school.

We look forward to welcoming you all back for the summer term on Tuesday 20th April.

Forest School and Outdoor Learning

It has been great to see our children out in the Forest school area since their return. Now we have such a usable space, more and more year groups are taking the opportunity to spend time there.

You can see some of the examples of learning from Years 1, 2 and 3 on our outdoor learning page

Newsletter

Our Easter

Our Year 3s have put together 4 Easter worships to mark Holy Week this week and celebrate the Easter story. They can be found on the school website

https://www.stwilfrids-hh.school/web/easter_worship_2021/550946

Alongside this, each year group has been learning about Easter and reflecting on what this time means to them as part of their Easter projects.

Supporting teacher training

After Easter, we will once again be allowed to host trainee teachers from the University of Brighton who will work alongside our teachers. They will be working in Tadpoles, Wrens, Squirrels, Hares and Otters and I know they can't wait to get started.

Foodbank collection

Thank you for all your generous donations to the Haywards Heath Foodbank. They have really appreciated the support and we have collected 100s of items to donate.
