22 June 2018 Newsletter

Dear Parents and Carers,

We had another great 'Freshen up!' day on Saturday. The brilliant team of volunteers got stuck into various jobs brightening up both the inside and the outside of the school. Both days have been very positive and helpful and we will schedule another one in the Autumn term. Thank you to everyone who was able to help.

New Windows

I am delighted to inform you that the governors have managed to secure funds to replace the last of the old windows in Robins', Hedgehogs' and Squirrels' classrooms. The works will be carried out during the summer holidays and we look forward to the 'new look'!

Playground Renovation – Stage 1

Thanks to your wonderful support and generosity through the FOSW, combined with sports premium money, we have been able to fund new playground markings for both the Infant and the Junior playgrounds. This will hopefully be carried out over the summer holidays and give the playground a much needed lift.

Power of Music

On Saturday, the school choir joined with other schools to perform in the Orchards Shopping Centre. Thank you to Mrs Rolph for her work with the choir and to the children who sang so well. Thank you to the parents/carers and governors who supported the event.

Poppies

We are supporting the 'River of Poppies' project which aims to see 10,000 handmade poppies flowing from the Orchards to Muster Green. Our year 5 children have been cutting out red and black felt to help make as many as possible. We will continue to make them in school and if you would like to cut some out or even help put them together then please ask the school office.

King regards

Headteacher

SPORTS NEWS

Year 5/6 Cricket

Last month some year 5 and 6 children took part in a kwik cricket tournament at Bolney Cricket club.

Unfortunately, despite the lovely weather, the team were not able to get the results they wanted and lost four of their five group games.

However, the children all developed their skills and played in the right spirit.

The children showed great determination and resilience to keep on going and finally win a game. They also ensured that they finished most games with a positive score and took some wickets.

The members of the squad for this tournament were: Poppy, Emily, Siobhan, Ella, George, Samuel, Ella, Max, Jake and Zeb.

Year 3 / 4 Tennis

Last month some year 3 and 4 children took part in a tennis tournament. The children started the day by taking part in different skill races to earn points for their team.

They were then split, with some children playing matches and others skill games to earn further points for their team.

The children all represented the school excellently and developed their skills. The year four team finished third overall and the year three team fifth. This was a fantastic achievement by all of the children.

The members of the squad for this tournament were: Oliver, Abigail, Jacob, Sam, Mia, Matilda, Jacob, George, Jacob Lauren, Bella, Maegan, Cohen, Evie, Robin and Noah.

Year 4 / 5 Cricket

Last month some year 4 and 5 children took part in a kwik cricket tournament at Ansty Cricket club.

The children started the afternoon well in sunny conditions by beating Lindfield. This was followed by a defeat to Harlands before a final win against St Peter's saw the team into the semi-final.

Unfortunately, the children were beaten by Bolnore Village and did not make the final. However, as some schools had not brought as many girls to take part as was required; the children have been invited to the county finals in the final half term of the year.

The children all developed their skills and showed great teamwork and sportsmanship.

The members of the squad for this tournament were: Sam, Siobhan, Samuel, Kirsten, Zeb, Megan, George, Ella, Linus and Emma.
