Early Years

The day PC Waller came to visit!

Here are Newts Class when PC Waller came to visit! We had so much fun exploring his police car. Thank you for turning on the LOUD sirens and answering all of our questions!

*Police help us
when we need
help!*

*Police catch
all of the
baddies!*

Tadpoles have been doing some fantastic learning this half term!

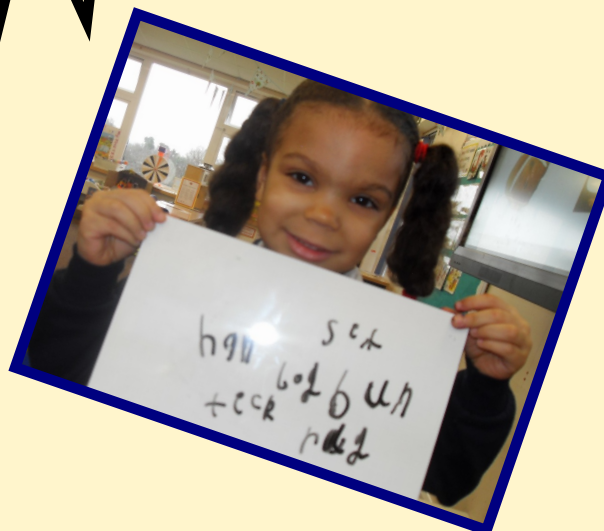

Albert has been learning his numbers up to 20 using the big number puzzle!

Dylan and Jude have been learning about 3D shapes !

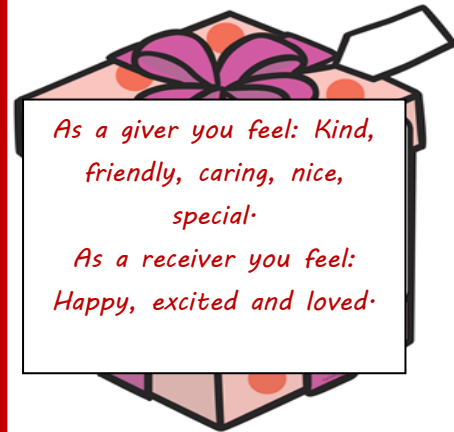

Sasha has been writing words Independently!

Year 1

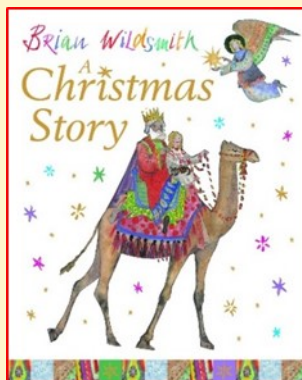

Why do people give presents at Christmas?

As a giver you feel: Kind, friendly, caring, nice, special.

As a receiver you feel: Happy, excited and loved.

We have used this book to support our project learning. Wrens created their own nativity scenes to help them

understand the gifts brought by the three wise men and their meaning.

The children became art detectives and used magnifying glasses to describe key details of the Christmas story.

In Robins class the children found a number of items inside a box. They identified the images as characters from the story of Jesus' birth.

Once we had read the story, we worked together to sequence the story, retelling as we went.

The children have also enjoyed exploring the roles of key characters within the story through the use of role play.

Year 2

We had a medieval banquet to finish off our project 'What makes us strong'.

We had a real life hero come to visit and we loved hearing about her special medal from the Queen!

We also had great fun performing a medieval dance that we had been learning in our PE lessons.

Who announced the birth of Jesus?

We have been reading this book to help us answer our big question.

We explored different representations of angels and created our own artwork.

We have been hunting for different signs that Christmas is coming and have made an advent tree for our classrooms.

Here are two of our Year 2 musicians sharing what they have been learning in their music lessons.

Our Christmas Performances

We did such a fantastic job performing in our Christmas Nativity performances this year. Our teachers were so proud of us!
