

# St Wilfrid's Word

September 2019 issue 2

**'Growing Success, Rooted in Faith'.**

## A chance to shine!

As a Church of England school, we are inspected by the diocese using the national SIAMs (Statutory Inspection of Anglican and Methodist schools) framework. The focus of the inspection is on the impact of our school's Christian vision on pupils and adults. The inspection looks at various aspects of our school life, including our collective worship and RE.

We have been informed our inspection will take place on Wednesday 2<sup>nd</sup> October. Following the success of our Ofsted inspection in the summer, we are looking forward to the opportunity to show off our school and all we do here.

## Our Value for this half term

### CARE

At St Wilfrid's, we **care** for those around us and God's precious world. We show forgiveness and are kind to each other.

*'Be kind to one another, tender-hearted, forgiving each other, just as God in Christ also has forgiven you.'*  
Ephesians 4:32

## Class Worship

Following feedback from the children, we have made some changes to the organisation of worship at our school. This year we will be having class workshops throughout the year for every class which we will invite parents and carers and families to. Look out for an invitation to your child's class worship.

**HARVEST!** Thank you for all the donations for Harvest this year. The children came together as a school and heard from Father Chris about the importance of our food, being thankful of what we have and mindful of what we do with it!

## Sussex Green Living

On Monday, Carrie from Sussex Green Living visited our school and shared some of the ways we can help our environment just by being careful what clothes we buy! The eco warriors also met with her and discussed ways we can work together as a community to make a change.
