

| <p align="center"><u>Year 1 Home Learning – Week beginning 25.1.21</u></p> <p align="center">Termly Big Question: Who is the greatest?</p> | |
|--|--|
| CBBC | We encourage you to record or watch the BBC Bitesize learning programmes between 9 and 9:20am, 10:05-10:15am and then from 11:05 onwards. |
| Worship | Each day there will be a virtual worship for you to watch. You will find this on the website under the 'Community' tab then 'Virtual Worships'. |
| Monday 25th January | <p>Maths: Subtraction – crossing 10 Watch the video to find out more - https://vimeo.com/497919464 See website for PowerPoint – 'subtraction – crossing 10' Tip - Remember to only count the jump once you have landed on the next number</p> <p>An extra challenge – use this interactive 100 square to explore number - https://www.ictgames.com/mobilePage/hundredSq/index.html Look at 1 more and/or 1 less than a number Look at 10 more or 10 less than a number There is an option to cover one number or a series of numbers. Have an adult cover some numbers. Use your number knowledge to help you work out which number has been covered. Use the coloured splats to help you practise counting in multiples of 2, 5 or 10.</p> <p>1. Project/English: Introduction to the 7 continents and the oceans. This session is in 2 parts with an activity at the end of each part so please don't feel like you need to do it all in one session. Please find the PowerPoint and resources you will need on our website. NB: you may want to stick the 'key' on at the end of the part 2 activity.</p> <p>Reading: Continue to use the online Oxford Owl resource to choose a book banded book of your colour level and read for 10 minutes.</p> <p>Phonics: Teaching the 'ear' sound. Please see website.</p> |
| Tuesday 26th January | <p>Maths: Subtraction – crossing 10 (lesson 2) Watch the video to find out more - https://vimeo.com/497919984 Please see the website for the worksheet – 'Subtraction – crossing 10 – Lesson 2'</p> <p>An extra challenge – use this interactive 100 square to explore number - https://www.ictgames.com/mobilePage/hundredSq/index.html Look at 1 more and/or 1 less than a number Look at 10 more or 10 less than a number There is an option to cover one number or a series of numbers. Have an adult cover some numbers. Use your number knowledge to help you work out which number has been covered. Use the coloured splats to help you practise counting in multiples of 2, 5 or 10.</p> <p>Project and English will be linked this week. You will need to watch the project PowerPoint before you start the English which will be a fact sheet related to Antarctica. Today there will be a PowerPoint which will go through the writing with your child, step by step and then this can be referred back to as needed for completing the 'fact sheets' for the other 6 continents.</p> |

| | |
|--|--|
| | <p>Project learning: 'Welcome to Antarctica' Teach this before starting the English as they are linked. This session asks the children to investigate and research 'Antarctica' to find out as much as they can about the continent.</p> <p>English: Writing a fact sheet about Antarctica – please watch PowerPoint/video and print out the fact page.</p> <p>Please see the website for the PowerPoint '</p> <p>Reading: Continue to use the online Oxford Owl resource to choose a book banded book of your colour level and read for 10 minutes</p> <p>Phonics: Teaching the 'air' sound. Please see website.</p> |
| Wednesday 27th January | <p>Maths: Explore the question – What happens if I swap the numbers over in my number sentence? Will the total still be the same? Choose two numbers between 0 and 10 or 0 and 20. Write an addition number sentence using the two numbers. Use your ten frame to add the 2 numbers together. Use the same two numbers again but swap them around. Find the total and see if it is the same.</p> <p>Can you apply this idea to your number bond knowledge? Example - If I know 9 and 1 are equal to 10 then I also know 1 and 9 are equal to 10.</p> <p>An extra challenge – use this interactive 100 square to explore number - https://www.ictgames.com/mobilePage/hundredSq/index.html Look at 1 more and/or 1 less than a number Look at 10 more or 10 less than a number There is an option to cover one number or a series of numbers. Have an adult cover some numbers. Use your number knowledge to help you work out which number has been covered. Use the coloured splats to help you practise counting in multiples of 2, 5 or 10.</p> <p>Project learning: 'Welcome to Asia' PowerPoint English: Print out and complete the fact page about Asia</p> <p>Reading: Continue to use the online Oxford Owl resource to choose a book banded book of your colour level and read for 10 minutes</p> <p>Phonics: Teaching the 'ure' sound. Please see website.</p> |
| Thursday 28th January | <p>Maths: Related facts Watch the video to find out more - https://vimeo.com/497920336 Please see the website for worksheet – 'Related facts'</p> <p>Project learning: 'Welcome to Australia' PowerPoint English: Print out and complete the fact page about Australia.</p> <p>Reading: Continue to use the online Oxford Owl resource to choose a book banded book of your colour level and read for 10 minutes</p> |

| | |
|--|---|
| | <p>Phonics: Teaching the 'ay' sound. Please see website.</p> |
| <p>Friday 29th January</p> | <p>Maths: Compare number sentences Watch the video to find out more - https://vimeo.com/497920660 Please see the website for worksheet – 'Comparing number sentences'</p> <p>An extra challenge – use this interactive 100 square to explore number - https://www.ictgames.com/mobilePage/hundredSq/index.html Look at 1 more and/or 1 less than a number Look at 10 more or 10 less than a number There is an option to cover one number or a series of numbers. Have an adult cover some numbers. Use your number knowledge to help you work out which number has been covered. Use the coloured splats to help you practise counting in multiples of 2, 5 or 10.</p> <p>Project learning: 'Welcome to South America' PowerPoint English: Print out and complete the fact page about South America.</p> <p>Reading: Continue to use the online Oxford Owl resource to choose a book banded book of your colour level and read for 10 minutes</p> <p>Phonics: 'Tricky Word Friday' BINGO! Check the website for videos with our "celebrity" bingo caller!!</p> <p>Friday PM: A opportunity to finish any activities from the week or redo an activity you have enjoyed.</p> <p>https://www.google.co.uk/books/edition/Winnie_and_Wilbur_Stay_at_Home/Gf7nDwAAQBAJ?hl=en&gbpv=0</p> |
