

Support Networks

Carers Support West Sussex

“With more than 19,000 carers currently registered with the charity, we run Support Groups, a Carer Response Line, help carers access equipment to assist them in their caring role or provide funds so that carers can do something for themselves. We can also help carers access counselling and call back services, wellbeing support and have teams in all the of the major hospitals in West Sussex, as well as East Surrey Hospital in Redhill.

With more than 90 members of staff and over 60 volunteers, as well as a dedicated team of Trustees, Carers Support is committed to ensuring carers are recognised and listened to. Carers save the UK economy more than £1 billion pounds to the West Sussex economy and more than £150 billion across England and Wales.”
